Sir,

Sub:- ESTABLISHMENT - S.K.District Board - Appointment of peons under the License Inspectors - Sanction requested.

The District Board in its resolution No.7 dated 24-3-1952 (copy enclosed) has sanctioned three posts of peons for the three License Inspectors working under the District Board for the reasons stated below.

2. The License Inspectors are expected to tour a minimum number of 20 days in a month. Their jurisdiction being extensive, they have to go to the remotest villages, where they have to stay for two or three days in connection with the collection work and the inspection of premises where dangerous and offensive trades are carred on. There are some villages which have no road facilities. Without the assistance of a peon, they find it difficult to execute their out-door work efficiently and speedily.

3. In the circumstances, I request you to accord your sanction for the appointment of peons under the License Inspectors in this district. Necessary provision has been made in the Budget Estimate for 1952-53 for the additional expenditure.

I forward herewith the letter C.No.A6. 3686/52, dated, 30/3/52 of the President District Board, South Kanara on the above subject.

The Licence Inspectors were able to carry on their work without the assistance of peons till now and they can continue to do so. The financial position of the Dt.Board is also very unsatisfactory. The proposal of the District Board may therefore be turned down.

For Inspector.
